Here are my suggestions.

Ex. 5 AC/DP

Ex. 5 AC/DP

Beyond that, I didn't really go back to the PRAP; I'm hoping the details of the preferred alternative are correct!

Who drafted this? 1909 the dates are all off – constructed in 1902, began operations in 1903 reclaimed from the Passiac in the late 1800s – I do not like being rushed to review this doc in 30 minutes while on a call but I will do the best I can. Let me know if you all have any comments. Thanks
